U.S. ECONOMIC DEVELOPMENT ADMINISTRATION

Argonne NATIONAL LABORATORY

AGENDA

NERDE BACKGROUND

U.S. DEPARTMENT OF ENERGY
Argonne National Laboratory is a U.S. Department of Energy laboratory managed by UChicago Argonne, LLC.

Argonne NATIONAL LABORATORY

NATIONAL ECONOMIC RESEARCH & RESILIENCE CENTER (NERRC)

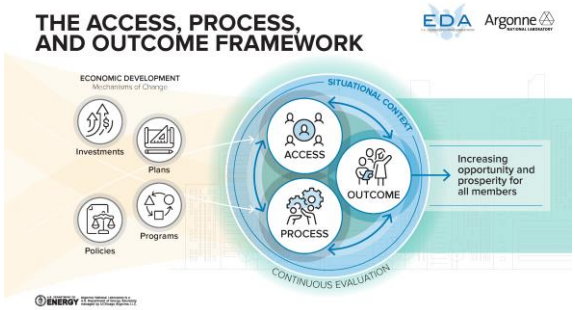
About Us

We provide innovative and transparent economic data access, research, and analysis to support and strengthen economic development and resilience in communities across the nation.

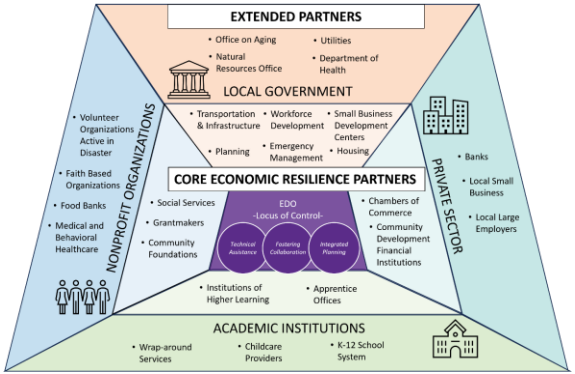
Find us at: https://www.anl.gov/dis/national-economic-research-resilience-center

OUR RESEARCH

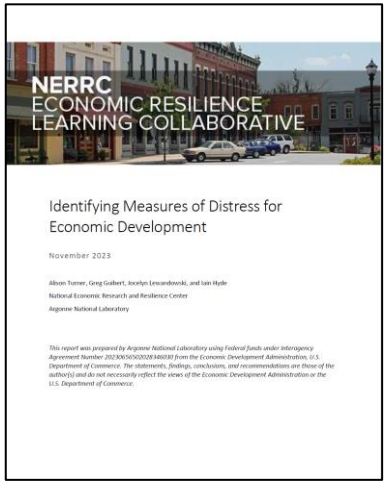
Quarterly Research Briefs



Equity in Economic Development



Building Resilience through Economic Development



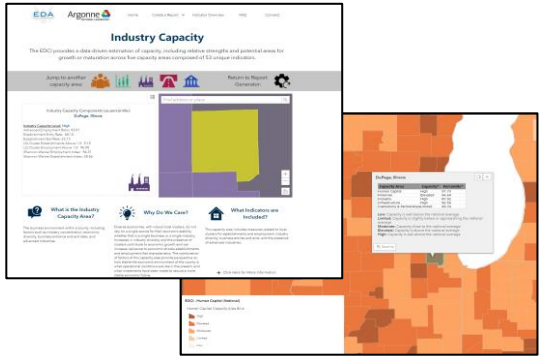
Identifying Indicators of Economic Distress

TOOLS AND MODELS

National Economic Resilience Data Explorer

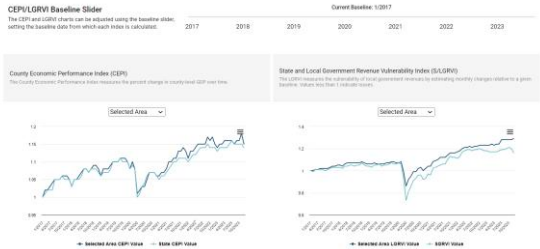
Baseline economic context

Economic Development Capacity Index



Assessment of county-level capacity, strengths, and opportunities for investment

Economic Performance and Government Revenue Indices



Near-real time measures of economic activity

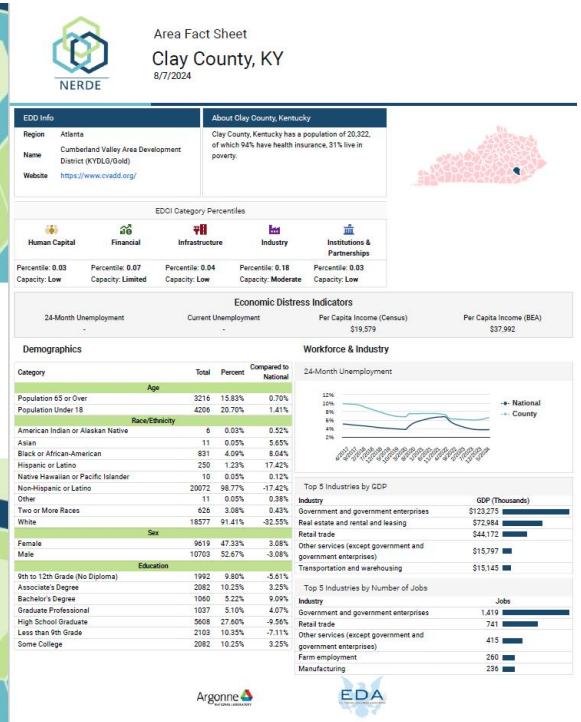
USE CASES

U.S. DEPARTMENT OF ENERGY
Argonne National Laboratory is a U.S. Department of Energy laboratory managed by UChicago Argonne, LLC.

Argonne NATIONAL LABORATORY

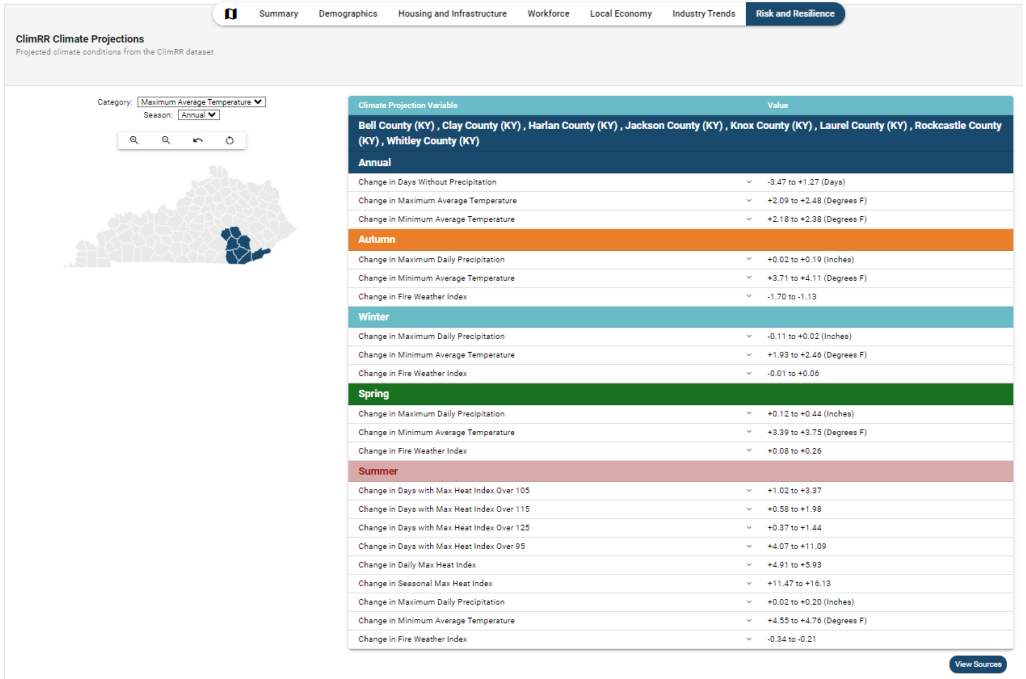
USING NERDE FOR **COMMUNICATION**

- **Area Fact Sheet**
  - Quick stats to determine demographic and industry risk
  - Printable one pager for community meetings



USING NERDE FOR **DISASTER RECOVERY**

- **Risk and Resilience in NERDE**
  - Climate projections
  - Disaster summaries
  - Annual loss projections

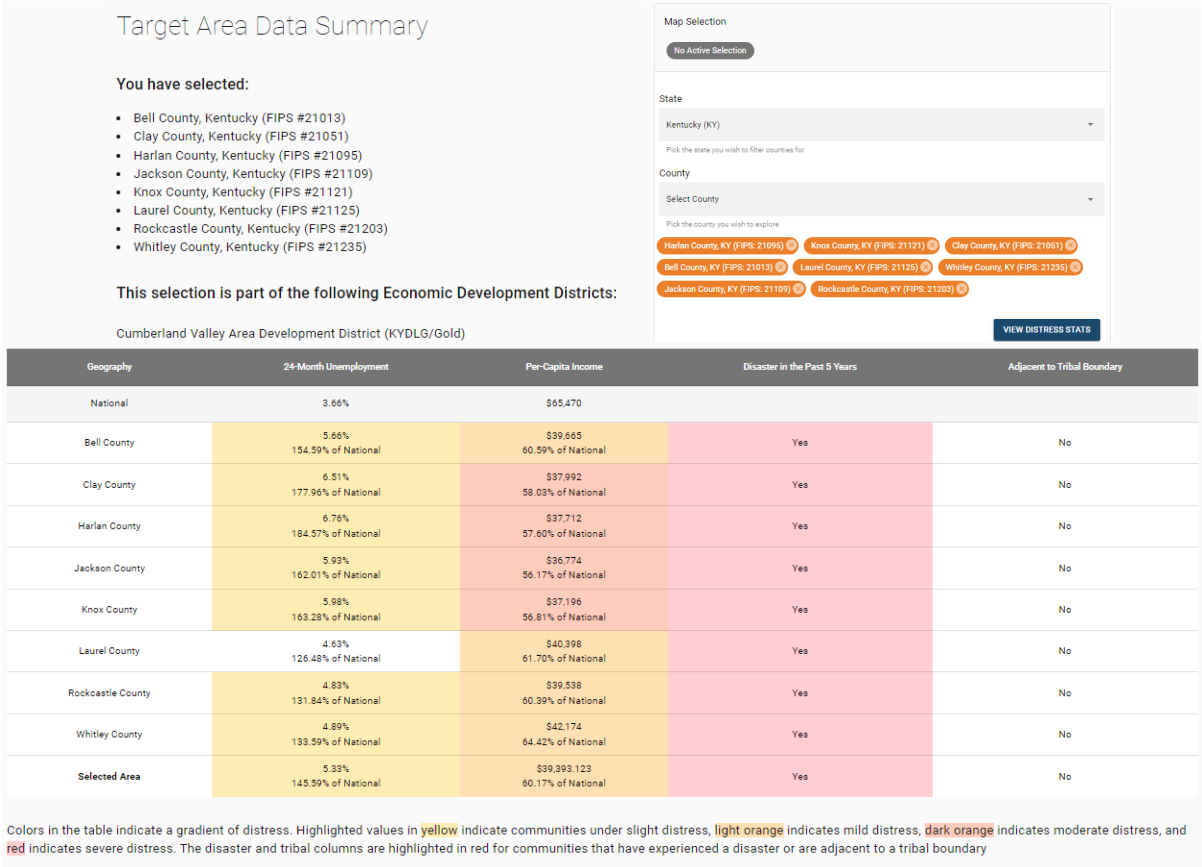


U.S. DEPARTMENT OF ENERGY Argonne National Laboratory is a U.S. Department of Energy laboratory managed by UChicago Argonne, LLC.

Argonne NATIONAL LABORATORY

USING NERDE FOR **GRANT APPLICATIONS**

- **Distress Statistics Generator**
  - Highlighted distress metrics
  - County and Tract level information



Target Area Data Summary

You have selected:

- Bell County, Kentucky (FIPS #21013)
- Clay County, Kentucky (FIPS #21051)
- Harlan County, Kentucky (FIPS #21095)
- Jackson County, Kentucky (FIPS #21109)
- Knox County, Kentucky (FIPS #21121)
- Laurel County, Kentucky (FIPS #21125)
- Rockcastle County, Kentucky (FIPS #21203)
- Whitley County, Kentucky (FIPS #21235)

This selection is part of the following Economic Development Districts:

Cumberland Valley Area Development District (KYDLG/Gold)

Map Selection

No Active Selection

State

Kentucky (KY)

Pick the state you wish to filter counties for

County

Select County

Pick the county you wish to explore

Harlan County, KY (FIPS: 21095) | Knox County, KY (FIPS: 21121) | Clay County, KY (FIPS: 21051) | Bell County, KY (FIPS: 21013) | Laurel County, KY (FIPS: 21125) | Whitley County, KY (FIPS: 21235) | Jackson County, KY (FIPS: 21109) | Rockcastle County, KY (FIPS: 21203)

VIEW DISTRESS STATS

Geography	24-Month Unemployment	Per-Capita Income	Disaster in the Past 5 Years	Adjacent to Tribal Boundary
National	3.66%	$65,470		
Bell County	5.66% 154.59% of National	$39,665 60.59% of National	Yes	No
Clay County	6.51% 177.96% of National	$37,992 58.03% of National	Yes	No
Harlan County	6.76% 184.57% of National	$37,712 57.60% of National	Yes	No
Jackson County	5.93% 162.01% of National	$36,774 56.17% of National	Yes	No
Knox County	5.98% 163.28% of National	$37,196 56.81% of National	Yes	No
Laurel County	4.63% 126.48% of National	$40,398 61.70% of National	Yes	No
Rockcastle County	4.83% 131.84% of National	$39,538 60.39% of National	Yes	No
Whitley County	4.89% 133.59% of National	$42,174 64.42% of National	Yes	No
Selected Area	5.33% 145.59% of National	$39,393.123 60.17% of National	Yes	No

Colors in the table indicate a gradient of distress. Highlighted values in yellow indicate communities under slight distress, light orange indicates mild distress, dark orange indicates moderate distress, and red indicates severe distress. The disaster and tribal columns are highlighted in red for communities that have experienced a disaster or are adjacent to a tribal boundary
